

Premium Split Sponge

A highly absorbent primary or secondary wound dressing with unique pre-cut t-slit

- Unique pre-cut t-slit provides a snug fit around catheters, tubes, I.V.'s and tracheotomies
- Highly absorbent multi-layer (7) sterile dressing protects wounds and reduces dressing changes
- Non-adherent outer layer helps prevent dressing from sticking to wound to reduce the risk of skin trauma
- Thick fluff absorbs fluid and provides cushioning, while cellulose sheets wick away and absorb fluid
- Blue hydrophobic back layer prevents strikethrough, while coloring allows for intuitive dressing placement
- Can be used as a primary or secondary dressing
