

Disposable Patient Bibs

Description

DUKAL premium quality Disposable Patient Bibs contain uniquely bonded layers of soft tissue and poly to eliminate any possible separation of the layers while the reinforced edges provide added strength and durability. The vertical embossing and 2-ply tissue/1-ply poly construction provide for high absorption to keep the patient protected, cool and dry. 13" x 18"

Features & Benefits

- Each bib measures 13" x 18"
- 2-ply soft tissue and 1-ply poly provides excellent absorption and protection
- Vertical embossing and reinforced edge for added strength
- Ideal for many applications including dental procedures, tattooing and senior care.
